

U10B Santa Clara Fire

- ✓ Has your U9/U10 son played in SCYSL for a year???
- ✓ Does he enjoy playing fall soccer, but doesn't play year round because of other sports???
- ✓ Are you looking for something beyond recreational soccer???

If so, then check out this new boy's team representing Santa Clara in soccer playing in the South Bay!

Santa Clara YSL is forming a competitive (Bronze/Copper/Class 3) soccer team for U10 boys (born after July 31st, 2000) this fall because there are strong soccer players who play baseball in the spring, but don't have the time to play year-round soccer. The team will play locally and travel to play other U10 boy's teams in the South-Bay area. Interested families should attend the two informal practices on SATURDAY, May 22 or SUNDAY, June 6 at Maywood Park (north side) from 4:30-6:00pm (during SCYSL registration). Another practice may happen in mid-June.

****Please wear appropriate soccer gear and bring water and a size-4 soccer ball.****

Please be sure to still register for recreational (Class 4) soccer during the May or June SCYSL registration dates (or register later with a late fee).

The boys will have the same Fall season as before but with approximately five Saturday games at Curtis and five away games at neighboring fields and will train with experienced soccer coaches and players. They will play 8 versus 8 with goalies and play at least 50%. Emphasis is on having fun while strengthening individual, team, and sportsmanship skills. This team is the third option besides Santa Clara Sporting Club and recreational teams.

Please contact Michelle Wissig at 408-857-4819 or Michael Kutney at 408-644-4304 or thekutney5@yahoo.com for more information.
