The objective of the SCU Girls Soccer Academy is to develop players who are creative, skillful and comfortable with the ball. The curriculum is skill based with an emphasis on dribbling, moves to relieve pressure, cutting, turning, and 1v1 moves to beat defenders. The first half of each training session will emphasize the fundamentals of the skill, while the second half will allow players to use these skills in small sided 4 v 4 games. Participants will receive a season ticket to all SCU women's home games and instruction from SCU coaches and players.
